**Learning Activity 4**

**Rumble in the Jungle**

**Setting the Scene**
Dramatise another magic carpet ride, this time landing in a jungle where the learners will be surrounded by the jungle animals, from the mischievous chimps to the majestic elephants. This activity focuses on the sense of touch with different touches representing different animals.

**What to Do**
Create a relaxed atmosphere in which the learners are comfortably positioned in or around the magic carpet.

**What You Need**
- Rumble in the Jungle book and CD (Author: Giles Andreae, Illustrator: David Wojtowycz)

**Further Suggestions**
You could set up a jungle role-play area with your classroom, or why not be even more creative and set this up outdoors? You can search for jungle images online to get ideas on how to create a jungle environment and colourful wall displays.

**What to Do**
Create a relaxed atmosphere in which the learners are comfortably positioned in or around the magic carpet.
