Notes to the Teacher:

The activities in this booklet are designed to support the topic *Breakfast: Tea and Toast*. You can photocopy, cut out and laminate the picture cards at the back of the booklet and use them together with the picture board in a variety of ways. For example:

- Have the learners practise picture recognition by sticking the cards on top of the identical squares on the board.
- Have the learners place all the cards in front of them. Say a word, and they point to or hold up the corresponding picture card.
- Give a clue, such as ‘you can spread this on your toast’, and invite the learners to hold up the corresponding card (butter).
- Call out specific categories for the learners to sort and categorise their cards, for example ‘foods’ and ‘kitchen equipment’.
- Hold a class discussion on the topic, talking about the picture on each card.
- Use two sets of laminated cards to play matching pairs. Place all the cards face down. Working in pairs, the learners take turns to turn over two cards – if they match, they keep the cards. The winner is the one with more cards at the end.

Here are some of the things you need to make tea and toast with butter. Where can you buy these things?

Have you drunk any tea today?

Have you eaten any bread or toast?

What is your favourite breakfast?

Look at the pictures and talk together about how to make tea and toast.
