Thematic Units (SLD)

Breakfast: Boiled Egg and Toast

Level 2

You will need:

egg

butter

bread

tap water

You will also need:

hob

knife

spoon

timer

toaster

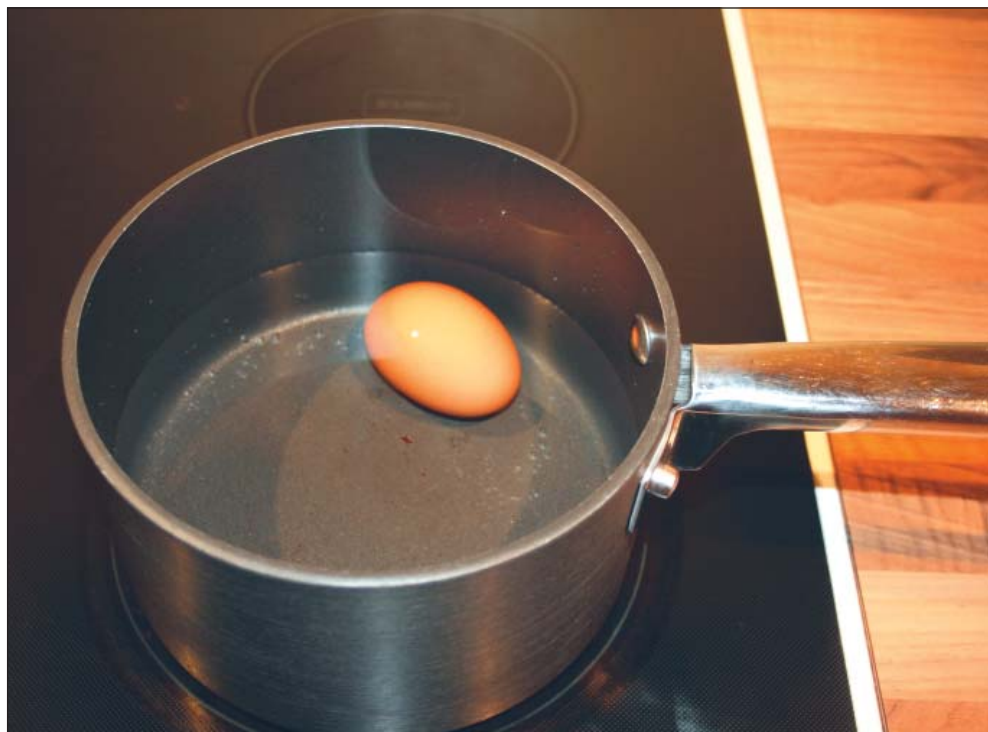

slotted
spoon

saucepan

egg cup

Step 1

Put the egg in the saucepan, and cover it with cold water.

Step 2

Put the saucepan on the ring. Turn the ring on to a high heat.

Step 3

When the water boils, set the timer for three minutes.

Step 4

Put a slice of bread in the toaster and switch the toaster on.

Step 5

Carefully lift the hot toast onto a plate. Use a knife to butter it.

Step 6

When the timer beeps, turn off the heat. Carefully use the slotted spoon to lift the egg out of the water. Place the egg into an egg cup and cut off the top.

Enjoy!
