

What do you do when you don't know what to do?

What do you do when you don't know what to do?
It can make you red!
It can make you blue!
It can make you too scared to see things through!

So what do you do when you don't know what to do?
You can blame the captain.
You can ask the crew.
But maybe the answer lies with you!

What do you do when you don't know what to do?
Sharpen your pencil?
Or go to the loo?
Or become invisible, quite see through?

What do you do when you don't know what to do?
Ask for help
From a wise guru?
Or mess around and spoil the view?

What do you do when you don't know what to do?
Because it's scary, and it's dark
And you've lost what's true.
And it's easier to hide when you haven't got a clue.

So what do you do when you don't know what to do?
Pretend you're ill?
With Martian flu?
The harder you think, the more you'll stew!

So tell me; what do you do when you don't know what to do?
STOP!!
And let yourself come through!
And you will find you always knew!

Away in your head where the ideas brew,
There's an answer waiting there for you!
